

Youth Football & Cheer Organization Corp.

Dear Oxnard Businesses and Community Friends:

For those of you who are not familiar with our organization, we are the Oxnard Knights, a non-profit youth football and cheer organization for children ages 6 to 14. Each year our program typically fields 6-7 teams with more than 150 participants from the Oxnard area. We are part of the Gold Coast Youth Football League which has 13+ chapters and covers a large geographical area including Westlake, Simi Valley, Fillmore, Santa Paula, Camarillo, Moorpark, and Santa Clarita just to name a few. Our program is dedicated to benefiting our youth by inspiring them to reach their full potential and instill upon them the desire to achieve excellence through teamwork, goal setting, discipline, as well as integrity. We want every player to enjoy their football or cheer experience; we provide a safe environment under direct supervision with coaching staff and volunteers. We strive each year to be successful in teaching the children the rules and fundamentals of the game of football.

Football programs require a considerable investment of time and money and ours is no exception. Every participant does pay a fee to participate in the program, however with today's tough economic conditions there are circumstances when a family cannot afford the tuition and so a scholarship is granted. With your support, these scholarships can be awarded and every child registered may participate. Our program continues to be a success year after year, however with reoccurring annual expenses and keeping up with providing protective safety equipment, uniforms, liability insurance, referee's fees, and the field use and maintenance; our program wishes to have the support of our community.

We continue to grow each year because of your support. Please see our sponsorship packages. We have a few programs available and hope that you will consider becoming a sponsor. Please take the time to look over the options and consider a program that best fits you or your company's desire.

Like any non-profit organization, we depend upon the kindness of citizens and businesses of our community to help fund our program. Please know that all contributions are tax deductible, your generosity makes a positive impact and know that you are making such a worthwhile investment in the future well-being of our youth. We can't do it without YOU!

Thank you very much on behalf of the Oxnard Knights' Chapter
